I sent the BIA the map with the parcel circled. I would consider the BIA the final word on the land status. I will let you know if there is new information from them.

Mr. Swanson,

I just wanted to acknowledge receipt of your inquiry. I had gathered some information on the subject this morning but need to do a little further research. I will send you all of the documentation this afternoon. In short, yes, I believe the "exchange preserve" land is held in trust.

I am attaching a landuse map for the Salt River Tribe. On the map there is a parcel circled identified as exchange preserve. Is this land in trust?

Thanks,
